DEMOLITION MAY NOT COMMENCE UNTIL THE BUILDING INSPECTOR HAS VISITED THE SITE, APPROVED THE PROJECT, AND ISSUED A PERMIT.

DEMOLITION PERMIT PROCESS

1. Applicant obtains an Application for Demolition Permit from City Hall or through the website www.showmecanton.com
2. Applicant completes the application and submits it with a \$15 Application for Demolition Permit fee to Canton City Hall.
3. Canton City Hall will notify the Building Inspector an Application for Demolition Permit has been filed.
4. The Building Inspector will review the Application for Demolition Permit and will conduct a site visit.
5. The Building Inspector will issue a permit at City Hall.
6. The applicant will be notified by City Hall the Permit has been issued.
7. The applicant will collect the Permit from City Hall.
8. The applicant will display the permit at the demolition site.

An Application for Demolition Permit must be submitted to Canton City Hall. The Permit must be displayed at the demolition site location before demolition begins.
